Go to www.nixle.com

Nixle's Municipal Wire is the first standardized, secure, and **certified** communication platform for local police departments, municipalities, and their agencies. It is used to communicate important, information to the residents of their communities. Nixle's Municipal Wire is available at **no cost** to agencies or police departments, and uses the same compelling model as social applications, such as Twitter and Facebook, while adding the security that is critical to ensure information received by users is **Trusted** and **Accurate**.

When you sign up, you will be able to receive 4 types of advisories.

**ALERT**
Immediate Attention ie. Missing Child or a Bank Robber in the Area, etc.

**ADVISORY**
Crime Trends ie. A pattern of Burglaries, Fraud, or Thefts, etc.

**TRAFFIC**
Road Closures

**COMMUNITY**

Community Information ie. Seasonal Safety Tips, Self-Defense Courses, etc.

Residents receive all information immediately by text message, email and web.
